Weaving Culture Education & Technology into a brilliant blend

Dear friends and colleagues

It is with great pleasure I invite you to Adelaide, South Australia for the 19th Biennial World Council of Enterostomal Therapists Congress from 19th to 23rd April 2012 at the world class Adelaide Convention Centre.

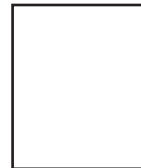

South Australia offers a wide range of experiences, from the wineries of the Barossa Valley, Clare Valley, McLaren Vale and Adelaide Hills, white sandy beaches and the unique Kangaroo Island to the rugged outback of the Flinders Ranges and beyond.

Our theme **“Weaving Culture Education and Technology into a Brilliant Blend”** encompasses the vision of WCET of bringing the world together, sharing experiences, learning new techniques and celebrating our unique differences.

So please come and experience the diverse Australian culture Down Under.

See you in 2012!
