

# The Nurses for Nurses Network 2016 Annual Conference *Focus on Nursing Fundamentals*

30th Oct - 5th November 2016  
Carnival Spirit: Departing Sydney

The Nurses for Nurses Network annual conference for 2016 will be held aboard the Carnival Spirit as we sail out of Sydney for 6 nights to visit fabulous Melbourne and the iconic Melbourne Cup. The conference theme “*Focus on Nursing Fundamentals*” will look at the key Nursing concepts that Nurses need to review annually irrespective of their area of practice – every Nurse will find the content relevant.

As always, with the **Nurses for Nurses Network events**, at this conference you can attend the sessions and receive a certificate identifying the Continuing Professional Development hours that you have achieved; but for a number of sessions you can choose to undertake further assessment to achieve a Certificate of Theoretical Competence.

## Clinical fundamentals:

- Medication Administration - theoretical & calculations
- Basic Life Support - theoretical
- Wound Assessment: best practice, evidence based guidelines
- Professional Boundaries
- Scope of Practice and delegation framework
- Assessment and care planning – an evidence based model
- Collaborative and therapeutic communication
- 4 hour CPD tour on last morning in Melbourne looking at the latest in acute and chronic wound care products

*Join fellow delegates at the race that stops the nation...  
Hat or Fascinator, Frock or Suit, this will be the most difficult question of race day  
as your cruise ticket includes entry to Flemington Racecourse for the Melbourne  
Cup. Transport to and from the racecourse is also included.*

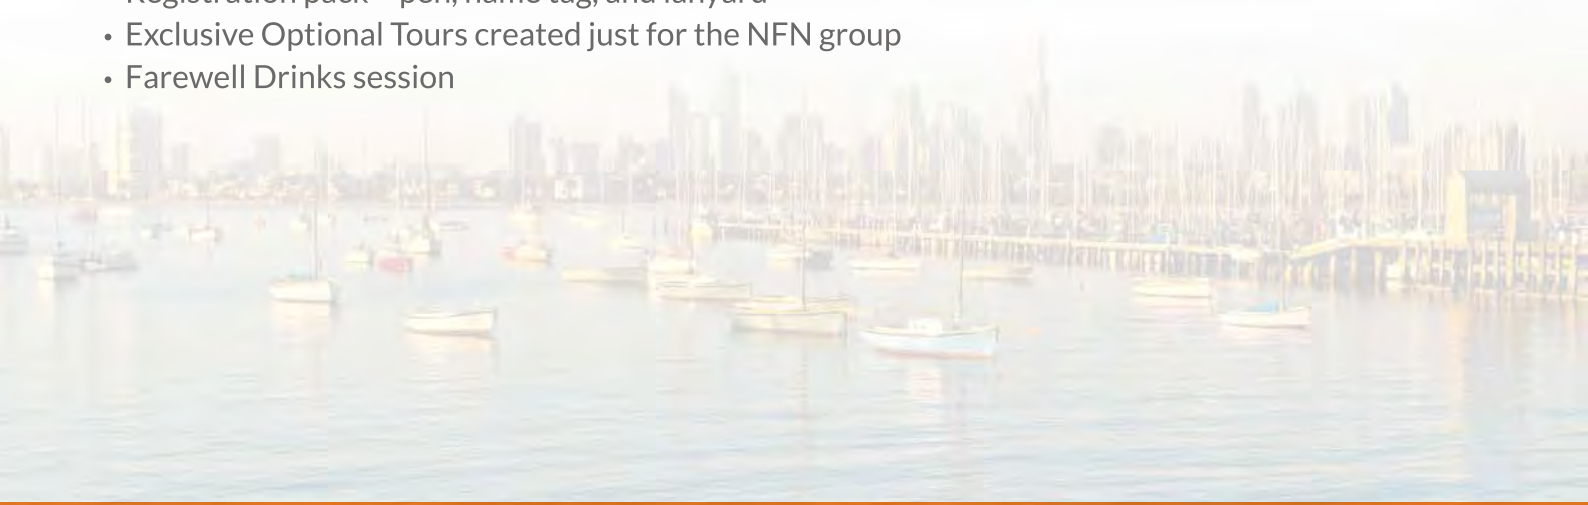

## Professional fundamentals:

- The mistakes that Nurses make at interview
- The importance of your resume when applying for a job – top tips for creating your resume
- Industrial relations – the mistakes that team leaders and managers make
- Risk Management – yes this is a key part of your role
- Financial management 101 – mistakes to avoid
- Unpacking the myth of nursogyny – how to work well with doctors
