SPEAKER PROFILES

Associate Professor Geoffrey Sussman: Faculty of Medicine & Health Science at the University of Auckland, New Zealand. Faculty of Medicine at Monash University, Melbourne. A member of numerous Wound Management Associations, & author of significant publications. Geoffrey lectures internationally and within Australia. He has been involved in wound management for over thirty years both in clinical research & practice.

Associate Professor David Hardmen: Vascular surgeon, working in both private & public practice. Currently has university appointments as a Clinical Associate Professor, Department of Surgery, ANU & Adjunct Professor, Surgery and Anatomy at the University of Canberra. He is the Chair of the Venous Leg Ulcer Guideline Development Committee for the Australian Wound Management Association.

Nikki Frescos: Current President of the Victorian Wound Management Association, Senior Podiatrist & Lecturer at Latrobe University. She provides specialist podiatry advice to clients at the wound clinic.

Dr Rob Kelly: Head of Clinical Dermatology , St Vincent’s Hospital, Melbourne. He has a particular interest in dermatologist aspects of wound healing & has a major interest in inflammatory dermatoses of the lower limb including pyoderma gangrenosum, vasculitis and panniculitis. He enjoys lecturing and publishing in these areas and has recently been involved in the Therapeutics Wound Healing Guidelines.

Suzanne Kapp: Clinical Nurse Consultant Wound Management & Research, Royal District Nursing Service. She is a clinician with an interest in the prevention & management of venous leg ulcers & pressure ulcers & is also principal researcher of the Forever Healed Initiative - the Leg Ulcer Prevention Program & the Compression Stocking Randomised Controlled Trial & is an advocate for, & contributor to, evidence-based practice in wound management.
