

NZ WOUND CARE SOCIETY

**6th NATIONAL CONFERENCE
AUCKLAND, MAY 23-25, 2013**

This conference focuses on two of the most vulnerable groups in our society; the older adult and children. Both can have complex health and social needs that can impact on their ability to enjoy a good quality of life. The NZWCS 2013 National Conference will address important skin and wound care issues for these groups and offer practical solutions.

International Keynote Speakers

Professor Greg Schultz

Professor Neil Piller

Professor Roy Kimble

Conference Programme Highlights

- Advances in wound management
- Skin changes and skin care in the older person
 - Lymphoedema and oedema
 - Paediatric skin and wound care
 - Practical workshops
 - Industry exhibition

Abstract Submissions now open (until January 31, 2013)
